

INVITATION TO...

Good Practice in the Employment of Migrant Workers in the Social Care Sector Conference

Friday 9th May 2008 • 9.30am - 3.30pm

LACE conference Centre, Croxteth Drive, Sefton Park, Liverpool L17 1AA

Over the past year, **Liverpool Social Care Partnership**, **Oxfam** and **Migrant Workers North West** have been working in collaboration with six social care providers in Greater Merseyside to develop good practice in the recruitment and employment of migrant workers.

This conference aims to share the learning from the past year, highlight the experiences of migrant workers employed in social care, explore the good practice implications for social care providers, and to launch the report of our findings.

Keynote Speaker:

Arlene McCarthy - North West MEP

Chaired by:

Vic Hewitt - former Chair of the North West Employers Organisation and independent consultant

Speakers to include:

Thea Seville - NW Regional Manager Skills for Care

Denise McDowell - Migrant Workers North West

Karen Caffrey - Managing Director of Homecarers Liverpool

The event is aimed at social care employers, providers, commissioners, and anyone concerned about the development of good practice within social care.
